# Suriyah Saravanan

(925)-856-3181 | s@suriyah.dev | linkedin.com/in/suriyahs | github.com/suriyahs | suriyah.dev

## Education

**Florida Atlantic University** — Boca Raton, FL

*Bachelor's in Management Information Systems, Cybersecurity* | ***Major GPA: 3.90*** — *Aug. 2022 – Aug. 2026*

- Study Abroad: Accelerated Summer Academic Program in Dublin, Ireland — June 2026 – July 2026

## Experience

**IT Security & Automation Intern** — Jan. 2026 – Aug. 2026

*Delray Beach Fire Rescue* — *Delray Beach, FL*

- Supported Windows endpoints, workstation deployment, hardware upgrades, software troubleshooting, and lifecycle maintenance in a public-safety IT environment
- Used PDQ Deploy and PDQ Inventory to deploy software and track endpoint hardware/software assets; imaged Windows 11 systems using SecureDeploy
- Administered Active Directory accounts and GPOs, automated IAM workflows, and developed a Python/LDAP application to audit AD security configurations
- Assisted with LAN, server-room, SCADA/CAD, and public-safety infrastructure while supporting CJIS and HIPAA compliance requirements

**IT Security & AI Systems Intern** — Sep. 2025 – Nov. 2025

*GBDC Entrepreneurship Institute* — *Boynton Beach, FL*

- Performed endpoint security configuration, vulnerability remediation, patching, and legacy Windows system decommissioning
- Developed Python-based automation and secure data-processing tools while supporting IT and cybersecurity operations

**IT Operations & Support Intern** — Jan. 2023 – June 2023

*Florida Atlantic University* — *Boca Raton, FL*

- Imaged and deployed 50+ Windows workstations using enterprise deployment software and provided hardware/software troubleshooting through service desk support
- Performed hardware refreshes, workstation maintenance, and IT support for classroom and event environments

## Projects

**Enterprise Active Directory Security Auditor** | Python, LDAP, OpenPyXL — 2026

- Developed a multithreaded desktop application to audit Active Directory accounts and configurations, identify security risks, and generate Excel reports

**IAM Synchronization Automation** | Python, Playwright, CSV — 2026

- Automated user identity and credential synchronization workflows between administrative systems, including dynamic profile discovery and protected-account safeguards

## Certifications

| | |
|---|---|
| **CompTIA Security+ SY0-701** | Oct. 2026 |
| **CJIS Security & Privacy Awareness** | April 2026 |
| **HIPAA Privacy & Security** | Feb. 2026 |
| **Google Cybersecurity Professional** | Dec. 2025 |
| **Commonwealth Bank Cybersecurity** | March 2025 |
| **Microsoft Office Specialist: Excel Associate** | April 2024 |

## Technical Skills

**Systems & Endpoint Management**: Windows Server, Windows 11, Active Directory, GPO, PDQ Deploy, PDQ Inventory, SecureDeploy, PC Imaging, Hardware Troubleshooting

**Networking & Infrastructure**: TCP/IP, DNS, DHCP, LAN Troubleshooting, Server Infrastructure, SCADA/CAD Systems, UPS, PoE Devices

**Identity & Security**: IAM, User Account Administration, Access Management, CJIS, HIPAA, SSL/TLS, CIS Benchmarks, KnowBe4

**Automation & Development**: Python, PowerShell, Bash, SQL, LDAP, Pandas, Playwright, OpenPyXL
